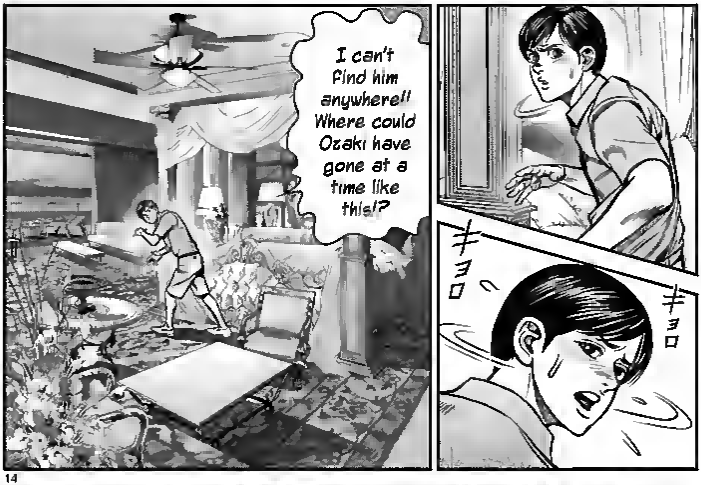
He's got an erection...



I can't find him anywhere!! Where could Ozaki have gone at a time like this!?

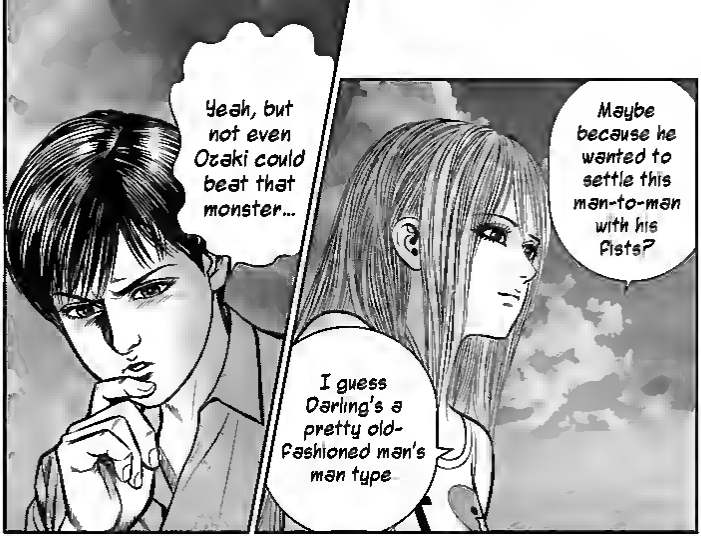
He's gone demon hunting.

You remember that Isoda had a really strong body-guard?

...Demon?
LOVE

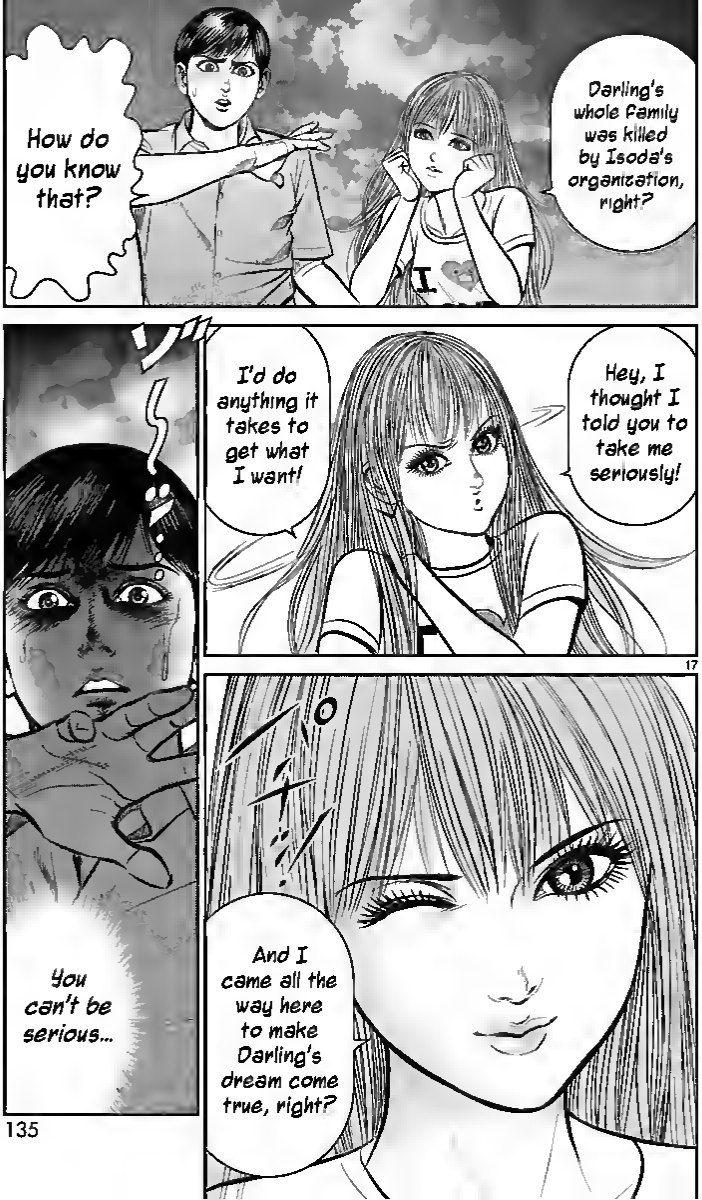
Yeah... He was as strong as the devil himself...

But why would he go alone...?
He's probably out there fighting him as we speak I can tell.



Yeah, but not even Ozaki could beat that monster...
Maybe because he wanted to settle this man-to-man with his fists?
I guess Darling's a pretty old-fashioned man's man type

It's alright. Darling's a demon of vengeance himself.
Huh !?



How do you know that?
Darling's whole family was killed by Isoda's organization, right?
I'd do anything it takes to get what I want!
Hey, I thought I told you to take me seriously!
17
You can't be serious...
And I came all the way here to make Darling's dream come true, right?

This is Barolo Cannubi Boschis.
Deli-cious!
Hmm...
Mmm ...

19

This taste sure is fit for a king.

It's known as the "King's Wine", and it's from the Piedmont region of Italy.

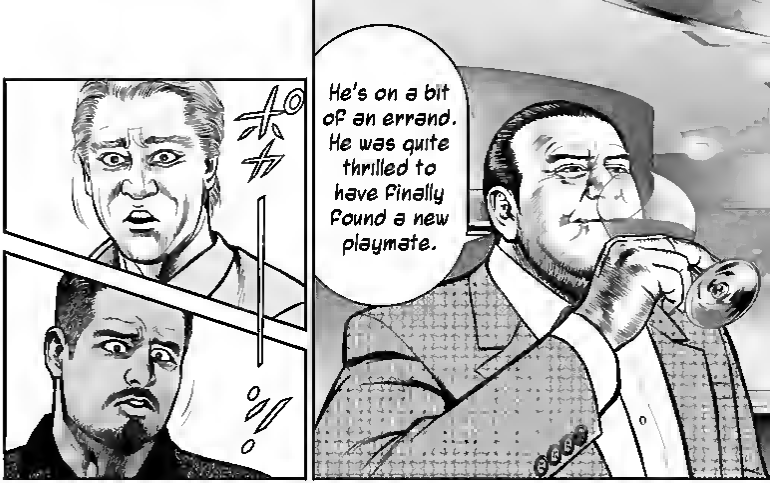
Hm?!
By the way, where did he go?



He's on a bit of an errand. He was quite thrilled to have finally found a new playmate.

That impudent bastard... He sent a message to the hotel's front desk in Yokomizo's name...

Let's disappoint those rich pigfuckers!

...Are you insane? This boy may have been abused for years, but he still killed his own parents at the age of 13.
And on New Year's, too...

I'm going to be adopting him. A plain old pet just isn't enough for me. I want a beast.

Take the mask off.
From now on, your name is Leo. You're going to live as boldly as a lion.

I don't know why you're acting so recklessly...
But if you really want to be strong, you can't go on fighting punks forever.

You're going to die before you learn what it means to be truly strong!

That's enough.
Pain is proof that you're alive.
Once you've overcome the unbearable agony, your existence will be affirmed by true pleasure.

Oh, hello, Naomi. How are you today?
Shitty, obviously. You're stealing my prey.
